Dear Doctor

Yours of — came  
last night. It was particularly  
welcome as my account ~~is~~  
is overdrawn by more than \$5.00  
& a draft of \$11.50 wh. I mailed  
from Lowell 15-Dec has not been  
heard from. I don't know on what  
bank it was & have written on  
3 times & as yet have no answer  
it was payable to order I believe.  
Still I trouble for it.

I am making my first visit  
to Dr. Farney's for a very long <sup>time</sup> while.  
I enjoy it very much. It is  
well for me that I came as I did  
as Eliza leaves for Washington  
next week

Yours of

Unless I direct otherwise the cheque  
 on draft for the \$15 may be in favor of  
 "Williams & Cunningham or order 184 Fulton  
 street (N.Y.) on account of J. F. Holton" a send directly  
 to them. Thank you for letters forwarded. One announced  
 the safety of the trunk that I sent from Woodstock to  
 Middlebury. \$15 4.88  
 Amount pay of 73.00 per \$73.00  
 73.00 21.02 43.6  
 43.6 21.02 86  
 72.98  
 Remitted check for 5-2.00

As to the paper I will take  
 6 reams of Dr. Loomys size.

You have not told me of your  
 transfer to Lisbon & Phinney.  
 I am glad of it on some accounts.

They have also offered them a  
 M.S. of A.R. Willis of Monmouth  
 Co. N.J. of a history for beginners.  
 I will get them to reprint to  
 Dr. G. but I don't think he will  
 find a publisher.

I am mainly on geology and  
 visiting at present.

Please remember me to  
 Mrs. Gray. Give me due  
 notice if you can when the  
 money will be wanted for paper  
 as I like to save the 5 percent  
 discount for cash.

Yours J. F. Holton
